DAMAGE HISTORY

Insurance write-off records for this VAUXHALL: if, when and in what category it was recorded as damaged, and whether it was scrapped.

Damage 1

Date	26/09/2026
Category	**N**
Type	CAT N NON STRUCTURAL DAMAGE, insurer RBS INSURANCE - BIRMINGHAM LIV
What it means	Non-structural damage, repairable. Typically 15 to 25% off clean private value; see the adjusted valuation.

OWNER HISTORY

FINANCE CHECK

Whether a lender still has an interest in this VAUXHALL. Buy a car with outstanding finance and the lender can take it back from you.

Outstanding finance	**None found** on the finance register for this registration
What it means	*No lender has registered an interest, so nobody can repossess it from the next owner. Lenders register within days of a new agreement, so a sale that completes months after this check deserves a fresh one.*

THEFT CHECK

Police National Computer	**Not recorded as stolen**
VIN on record	...72896
	Check it matches the plate at the base of the windscreen and the stamping under the bonnet
Engine number on record	B1191429HA6X0288LE2

FOUND ONLINE

Nothing on Google mentions this plate. Cars sold privately and never auctioned often leave no trace, so this is neutral rather than good news.

VEHICLE VALUATION

On the road price when new	£23,010
Dealer forecourt value	£8,213
Trade retail value	£7,775
Private clean value	£7,240
Average private trade value	£7,114
Part exchange value	£6,952
Auction value	£6,883
Trade poor value	£5,872
Mileage used	54,533 mi

Adjusted for the Cat N on record. Every price guide values a clean car; buyers pay 15 to 25% less for a Cat N. These take 20% off the figures above. Repaired well, with photos of the damage and the repair and the V5C showing the category, aim for the top of that range. A cheap repair or no paperwork sits at the bottom.

Dealer forecourt, Cat N	£6,570
Trade retail, Cat N	£6,220
Private clean, Cat N	**£5,790**
Average private, Cat N	£5,690
Part exchange, Cat N	£5,560
Auction, Cat N	£5,505
Trade poor, Cat N	£4,700

MAX BID AT IAA

The most to bid if this VAUXHALL came up at IAA UK, by the size of the repair bill. It is the **max bid calculator** run against the valuation above, so the two always agree.

Repair bill parts and labour	**As a Cat N** sells for £5,790, profit £1,158
Just a tidy	£3,700
£250	£3,480
£500	£3,200
£1,000	£2,690
£1,500	£2,200
£2,000	£1,710
£3,000	£790

Sale price is the private clean value, cut 20% for the Cat N on record. Profit is the beginner rule, at least £500 or 20% of the sale price. On top of the hammer: IAA's buyer and admin fees, the £50 retrieval fee and 20% VAT on those three (IAA UK fee card, 2026), 10% on the repair for surprises, £120 transport, £20 for the history check and £70 for MOT, valet, advert and fuel. VAT on the hammer is not included: on a lot marked VAT applicable the bid drops by about a sixth (tick VAT in the calculator for the exact figure). Open the calculator link above to put in your own repair estimate.

CAR FEATURES

31 items came as standard on this model and trim, so this car should have them unless a previous owner removed something. Use them in the listing: buyers pay for the spec they can see.

3 of them are the kind buyers pay more for (marked Selling point): lead the advert with those.
